

Oak Creek Club Community Haunted House - Safety & Injury Disclaimer:

Welcome to the Oak Creek Club Community Haunted House! We are excited to offer a fun and spooky experience for families, but your safety is our top priority. Please read the following information before entering:

- This event is designed to provide a light-hearted, spooky experience with fun surprises, special effects, and friendly actors. It is not intended to be excessively frightening.
- The haunted house may feature dark areas, fog effects, and occasional loud noises.
- While every effort has been made to ensure a safe environment, participants enter at their own risk. The Oak Creek Club Community and its volunteers are not responsible for any injuries, accidents, or lost or damaged personal belongings.
- For the safety and enjoyment of everyone, this attraction is recommended for children ages [insert age] and up. Children under [insert age] should be accompanied by an adult, and parental discretion is advised.
- Please be mindful of other visitors. If at any point you feel uncomfortable or need to exit, you are welcome to do so.
- If you or anyone in your group has any medical conditions or concerns that could be affected by strobe lights, fog, or sudden movements, please consider whether this event is right for you.

By entering, you agree to participate voluntarily and accept all risks associated with the event. Thank you for helping us maintain a fun and safe experience for everyone!
